BlockTrust Network

End User License Agreement

This End User License Agreement (this “Agreement") is a legal agreement between you (the "User") and Ledgerspace, LLC, a Missouri corporation ("LS") related to your use of the BlockTrust Network associated with this Agreement (the “Application”). The Application and related services are not directed to individuals under the age of eighteen (18). If you are under eighteen (18), you should not provide any personal information to us or download or use the Application. By clicking the “Accept” button, downloading, accessing and/or using the Application, you affirm that you are eighteen (18) years old or older and agree to be bound by this Agreement. If you do not agree to be bound by this Agreement, do not download, access or use the Application. If the person accepting this Agreement is doing so on behalf of a User which is a corporation or other form of business association, the person accepting this Agreement represents, warrants, and confirms that he/she is authorized to enter into this Agreement on the User's behalf, and to bind the User to its terms and conditions.

1. LICENSE, GENERAL USE RESTRICTIONS & CONDITIONS.

A. Subject to the terms and conditions of this Agreement, LS hereby grants to the User a limited, nonexclusive, nontransferable, non-assignable, non-sublicensable, revocable license to use the Application on any User product (“Device”) that User owns or controls which uses an operating system utilized or provided by Apple, Google, Microsoft, or any other platform (the “Platform”) and as such Device is permitted to be used by the rules or terms of service governing use set forth by the Platform. LS, not the Platform, is solely responsible for the Application and any information or content received through the Application or the services accessible through the Application. For clarity, the license does not include any right to make or distribute copies of the Application, to use the Application for the benefit of any third party or to monetize use of the Application. Without limiting the generality of the foregoing, any access to the Application or the services accessible through the Application by automated inquiry devices, robots, or repetitive data gathering and extraction tools, routines, scripts or other mechanisms with similar functionality is expressly prohibited. User is prohibited from using the Application on a network or service bureau and agrees not to use in any such manner. User agrees not to associate, input or upload to or through any Application any virus, Trojan horse, worm, time bomb or other computer programming routines that (i) is intended to damage, disable, interfere with, intercept or expropriate any LS system or technology or (ii) infringe the intellectual property rights of another. The Application may have third party links and resources provided for User convenience, however, said third parties’ terms and conditions apply once User leaves the Application. In the event User is or was a beta tester, or otherwise a part to a Beta Test License Agreement or other similar agreement, such agreement is immediately terminated upon agreement by User of the terms and conditions of this Agreement, however, any covenants therein which expressly or impliedly by their nature survive termination shall remain in full force and effect. User shall not allow unauthorized access of the Application (or the Portal, the Services or BlockTrust Network™ as defined in this Agreement and the BlockTrust Network Terms of Service) and User is responsible for disallowing unauthorized access to same. User is responsible for maintaining the confidentiality of usernames, passwords and account information assigned in connection with the Application and the Portal, the Services or BlockTrust Network™ as defined in this Agreement and the BlockTrust Network Terms of Service. User accepts

responsibility for the confidentiality and proper termination of User's records and the security or infrastructure or User's local computers. LS is not responsible for any harm caused by individuals who were not authorized to have access to the Application, Portal, and/or the Services or BlockTrust Network, but who were able to gain access because usernames, passwords or accounts were not kept confidential or were not terminated on a timely basis under User's data management practices or on User's local computers. User is responsible for all activities that occur under User's username(s), password(s) or account(s) or as a result of User's access to the Application, Portal, and/or the Services or BlockTrust Network, and agree to notify LS immediately of any suspected unauthorized use. User agrees to make every reasonable effort to prevent unauthorized parties from accessing the Application, Portal, and/or the Services or BlockTrust Network.

B. The Application is not operational unless the User pays the applicable User License Fee as published and billed (or as otherwise advertised from time to time and is further subject to change by LS) and further takes all the necessary steps to enroll with the data services component of the Application as provided for by LS. The rate of the User License Fee may be administered by a third party billing agent. User may incur data or other additional charges as a result of downloading and using the Application, which are solely User's responsibility for payment to the applicable carrier or provider, and User shall defend and indemnify LS for same if demand is made against LS for such charges. Once User agrees to the terms and conditions in this Agreement and is billed for the User License Fee then such periodic (e.g., monthly) payments related thereto are non-refundable.

User status is determined at the time a username and password are issued and as otherwise defined hereinabove. The term "User" shall be deemed to apply to a Tier One User, Tier Two User, and Tier Three User unless expressly stated otherwise, or unless the context clearly indicates otherwise.

C. The Application is intended to be used as a tool of convenience for the User's own internal business purposes in connection with managing a beef cattle herd and for no other purpose. YOU THE USER REPRESENTS AND WARRANTS THAT IN THE EVENT YOU PREPARE, EXECUTE, DELIVER, OR TRANSMIT INFORMATION THAT SUCH INFORMATION WAS PREPARED IN THE COURSE OF YOUR BUSINESS, WAS ACCURATE WHEN MADE, AND THAT YOU ARE USING A STANDARD OF CARE WHICH IS FAIR AND REASONABLE UNDER THE CIRCUMSTANCES.

D. You the User, by use of the Application, understand and agree that the User is absolutely responsible for the content of the Application and generated by your use of the Application and that you the User shall take all due care to verify that the contents of same are true, accurate, and compliant, even if data is automatically populated in a given field of the Application. ALL SUCH DATA POPULATIONS ARE FOR CONVENIENCE PURPOSES ONLY AND USER ACCEPTS SAME "AS IS" AND "WITH ALL FAULTS."

E. If the User is unable to verify whether the information contained or generated by the Application is accurate or compliant with applicable regulations, the User should immediately cease using the

Application. USER UNDERSTANDS AND AGREES THAT IT IS SOLELY AND ABSOLUTELY RESPONSIBLE FOR COMPLIANCE WITH ALL APPLICABLE LAWS, RULES, AND REGULATIONS, AND SHALL NOT RELY ON THE APPLICATION FOR COMPLIANCE IN ANY MANNER WHATSOEVER.

F. USER IS ULTIMATELY RESPONSIBLE FOR ALL CONTENT GENERATED BY THEM USING THIS APPLICATION AND SHALL INDEMNIFY, DEFEND, AND HOLD HARMLESS LS INCORPORATED FROM ANY AND ALL CLAIMS ARISING FROM THE USE OF THE APPLICATION IN CONNECTION WITH THE PREPARATION, EXECUTION, DELIVERY, OR TRANSMISION OF SAME.

G. Please note that User's use of the Application is, in addition to this Agreement, further subject to the then-current versions of the BlockTrust Network Terms of Services and the BlockTrust Network Privacy Statement. Notwithstanding the foregoing or anything herein, in the event a court of competent jurisdiction deems there to be a conflict between the Terms of Services and this Agreement, or the Privacy Statement this Agreement, in both instances this Agreement shall govern.

2. TERM AND TERMINATION.

This Agreement shall become effective upon a User's acceptance hereof by accessing, using, and/or clicking "accept" and shall remain in full force and effect thereafter until terminated as provided herein (the "Term"). User may terminate this Agreement for convenience at any time by discontinuing the data services component of the Application and cancelling the periodic billing of the User License Fee. LS may terminate this Agreement for convenience at any time with or without notice to User.

Notwithstanding the foregoing, with respect to any User, this Agreement shall terminate without any further action needing to be taken by LS upon a breach by such User of the "INTELLECTUAL PROPERTY" paragraph of this Agreement. Upon the termination of this Agreement for any reason whatsoever all licenses granted hereunder shall immediately terminate and the affected User shall immediately cease and desist from all access to and use of the Application. The terms set forth in the following paragraphs of this Agreement shall survive the termination of this Agreement for any reason: "LICENSE, GENERAL USE RESTRICTIONS & CONDITIONS"; "INTELLECTUAL PROPERTY"; "DISCLAIMER OF WARRANTIES"; "LIMITATION OF LIABILITY"; "CHOICE OF LAW"; "JURY TRIAL WAIVER", "INDEMNITY AND RELEASE"; "ADDITIONAL TERMS FOR USERS ON APPLE PLATFORM"; "ENFORCEABILITY"; "WAIVER"; and "ENTIRE AGREEMENT." In the event of termination for any reason, by any party, LS or the third party billing agent shall cease billing as soon as practicable, however, if a periodic billing cycle has occurred prior to effective termination then, at LS's discretion, either 1) termination will be effective immediately and a refund will be given for the unused portion of the User License Fee or 2) no refund will be provided for any unused portion of the User License Fee for said final billing cycle and User will be entitled to all rights, benefits, and privileges of this Agreement until the last day of said billing cycle. Notwithstanding anything herein, nothing in this section or Agreement waives LS's right to assert the right of offset against any damages LS alleges against User.

3. CHANGES TO ACCESSIBLE SERVICES; SUSPENSION AND TERMINATION OF RIGHTS

A. LS may, at any time, change, update, modify, or terminate any service that may be accessed through the Application including, without limitation, to improve a service or its functionality; add or remove access to a service; improve ease of use for the User or LS; correct an error or bug; prevent or discontinue harmful or improper access to services; prevent or discontinue unauthorized use of services; comply with a Platform provider or government request; or comply with a statue or judicial order. While LS expressly reserves the right to modify and/or change any of the terms and conditions of this Agreement at any time and without prior notice, it may make efforts to notify you of the change (e.g., sending a message to your email address, if we have one on file, or we may without obligation generate a notification when you access the Application for the first time after such material changes are made.) By continuing to use the Application after LS has posted a modification of this Agreement, you agree to be bound by the modified Agreement. If the modified Agreement is not acceptable to you, your only recourse is to discontinue the use of and uninstall the Application. This Agreement will also govern any software upgrades and/or updates provided by LS that upgrade and/or supplement the Application, unless such upgrades and/or updates are accompanied by a separate license, in which case the terms of that separate license will apply.

B. LS may suspend or terminate User's rights in and to the Application or services accessible through the Application in LS's sole discretion including, without limitation, if a newer version of the Application or a service therein is available, to improve the Application or a service or any functionality therein; to add or remove access to a service accessible through the Application; to improve ease of use for the User or LS; to correct an error or bug; to prevent or discontinue harmful, improper nor unauthorized access to the Application or a service therein; to comply with a Platform or government request; or to comply with a statue or judicial order.

4. INTELLECTUAL PROPERTY

A. User acknowledges and agrees that the Application contains proprietary and confidential information that is protected by applicable copyright, trademark and other intellectual property laws, including without limitation, the software programming and html and other code contained in the Application and other content available through the Application. The trademarks, service marks and logos used and displayed on this Application are registered and unregistered trademarks of LS and others. Nothing in this Application should be construed as granting, by implication, estoppel, or otherwise, any license or right to use any trademark displayed in the Application, without the written permission of the trademark owner. LS and its licensors reserve the right to enforce its and their intellectual property rights to the fullest extent of the law. All images on the Application are legally protected and are not to be used, reproduced, modified or distributed without written consent of LS or its licensors.

B. User and LS acknowledge that, in the event of any third-party claim that User's possession and use of the Application infringes that third party's intellectual property rights, LS, not the Platform, will be solely responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim.

C. The Application, the content and information therein, and all improvements, additions, derivatives and other modifications thereto, and any information pertaining to the foregoing, are the exclusive property of LS and/or its licensors and shall be considered and treated by Licensee as the proprietary information of LS (the "LS Proprietary Information"). User acknowledges and agrees that LS is the owner of the LS Proprietary Information and User agrees that User has no right, title, or interest in any of the LS Proprietary Information except the right to use the Application in accordance with and subject to this Agreement. User agrees not to, directly or indirectly, disclose, sell or otherwise transfer or exploit the LS Proprietary Information, or any portion thereof, to any other person or entity or allow any other person or entity to use the LS Proprietary Information, or any portion thereof, without the prior written consent of LS, which may be withheld in LS's sole discretion. User further agrees not to challenge or assist with or participate in any challenge, directly or indirectly, of LS's ownership of the LS Proprietary Information or any right, title or interest therein or any portion thereof.

D. User acknowledges and agrees that LS is the owner of or has rights to the trade names, trademarks and service marks "LS®" "BlockTrust Network™" and such other names, marks, and logos and other intellectual property LS used, uses or may in the future use in or related to its business, products or services, including, without limitation, all improvements, additions, derivatives and other modifications thereof (the "LS Marks"). User agrees that User has no right, title, or interest in any of the LS Marks. User further agrees not to challenge or assist with or participate in any challenge, directly or indirectly, of LS's ownership of or right to the LS Marks and the Proprietary Information or any right, title or interest therein or any portion thereof.

The User agrees to not remove, obscure, or alter any copyright, trademark, or other proprietary rights notice affixed to, contained within, or accessed in conjunction with or through the Application. The User further agrees not to modify, adapt, translate, prepare derivative works from, transmit, decompile, reverse engineer, disassemble or otherwise attempt to derive source code from any portion of the Application. You the User may not use the Application in any manner that could: (i) damage, disable, overburden, or impair the Application (or any server or networks connected to the Application), or (ii) interfere with any third party's use and/or enjoyment of the Application (or any server or networks connected to the Application). Except as expressly specified in this Agreement, you may not: (a) copy or modify the Application; (b) transfer, sublicense, lease, lend, rent or otherwise distribute the Application to any third party; or (c) use the Application in any unlawful manner, for any unlawful purpose, or in any manner inconsistent with this Agreement. You acknowledge and agree that portions of the Application, including, without limitation, the source code and the specific design and structure of individual modules or programs, constitute or contain trade secrets of LS and its licensors. Accordingly, you agree not to disassemble, decompile or otherwise reverse engineer any components of the Application provided in object code or any other LS products or services, in whole or in part, or permit or authorize a third party to do so, except to the extent such activities are expressly permitted by law notwithstanding this prohibition. User agrees not to use or the permit use of the Application, Portal, Services and/or

F. Without limiting the generality of the foregoing, the User acknowledges that LS is the owner of or has the rights to all information User accesses from or in the Application (the “Proprietary Information”). The User agrees that the User has no right, title, or interest in any of the Proprietary Information except the right to use the Application and Proprietary Information in accordance with and subject to this this Agreement. You agree not to, directly or indirectly, disclose, sell or otherwise transfer or exploit the Proprietary Information, or any portion thereof, to any other person or entity or allow any other person or entity to use the Proprietary Information, or any portion thereof, without the prior written consent of LS, which may be withheld in LS’s sole discretion.

LS MAKES NO WARRANTY WITH RESPECT TO THE SECURITY, TIMELINESS, CONTENT OR PERFORMANCE OF THE APPLICATION. SOME JURISDICTIONS DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTY, SO THE LIMITATIONS AND EXCLUSIONS IN THIS SECTION MAY NOT APPLY TO EVERY USER. THIS AGREEMENT GIVES USER SPECIFIC LEGAL RIGHTS. USER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. USER AGREES AND ACKNOWLEDGES THAT THE LIMITATIONS AND EXCLUSIONS OF LIABILITY AND WARRANTY PROVIDED IN THIS AGREEMENT ARE FAIR AND REASONABLE.

9. LIMITATION OF LIABILITY.

THE ABOVE LIMITATIONS AND EXCLUSIONS OF LIABILITY SHALL BE APPLICABLE ONLY TO THE EXTENT PERMITTED BY LAW IN THE EVENT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF LS OR IN THE EVENT OF PERSONAL INJURY OR DEATH OR IN RESPECT OF ANY OTHER LIABILITY THAT MAY NOT BE EXCLUDED OR LIMITED UNDER APPLICABLE LAW.

YOU FURTHER AGREE, CONSENT, AND ACKNOWLEDGE THAT LS'S ENTIRE LIABILITY TO YOU UNDER THESE TERMS AND IN CONNECTION WITH THE APPLICATION, AND LS'S SERVICES PROVIDED TO YOU IN CONNECTION WITH THE PROCUCT, SHALL BE LIMITED TO THAT SUM WHICH YOU HAVE PAID LS OR A THIRD PARTY BILLING AGENT FOR THE USE OF THE APPLICATION AND RELATED SERVICES.

By using the Application the User is agreeing to release LS and its owners, shareholders, subsidiaries, affiliates, officers, employees, partners, and licensors from any and all claims, fees, costs, damages and obligations of any kind whatsoever that the User may have against them arising out of or in any way related to such claims or obligations and to any disputes regarding use of ideas and/or related materials submitted to the Application. Each of the parties acknowledge that they are not relying on any statements, warranties or representations given or made by any of them in relation to the subject matter of this Agreement, save those expressly set out in this Agreement, and that they shall have no rights or remedies with respect to such subject matter otherwise than under this Agreement save to the extent that they arise out of the fraud or fraudulent misrepresentation of another party. No variation of this Agreement shall be effective unless it is in writing and signed by or on behalf of LS.
